One of Girsh Development's most unique home designs welcomes the upscale family with distinctive style, proportion and a floor plan accentuating the most desirable lifestyle preferences. In the Girsh Development tradition of creating remarkably graceful "first impressions" from an exterior perspective, the Pompton uses two front bay windows in the living and dining rooms, as well as Palladium style arched windows surrounding the conservatory, to make a definitive statement of elegance. This is a special home for a special homebuyer.

Available Elevations: Full Brick, Partial Brick/Siding, Full Siding
